

Tomcat Bridgebuilders

Application for Mini-Grant Funding

Grant Overview: The Tomcat Bridgebuilders mini-grants are available to community groups in Trimble Township who want to collaborate and partner with area youth and community members to support substance abuse prevention in the community

Projects will be judged on the following:

- Positive youth involvement with planning and implementation.
- Clear message of No use of Alcohol, Tobacco and other drugs.

Requirements:

- Photos and printed materials must include: “Project funding provided by Tomcat Bridgebuilders”.
- Agree to provide photos, recording of the event if possible (signed photo release by the parent or guardian is required).
- At least one adult representative and one youth representative will attend two coalition meetings: One meeting to provide program updates and one meeting to present a project report at the completion of the project/grant.
- A written report at the completion of the project should include:
 1. Were the objectives met? (Provide outcomes including numbers)
 2. What was learned from this project?
 3. Itemized list of project expenses including receipts. Unused funds will be returned to Tomcat Bridgebuilders.
 4. Photos and printed material.
 5. Project reports are due within 60 days of completion.

Who Can Apply? Groups or organizations serving youth within Trimble Township.

Grant Amount: Up to \$500.00-(Depending on the project)

Due Date: Grant requests are due 30 days prior to the project. All projects should be completed within one year.

Please return applications to tomcatbridgebuilders501c3@gmail.com or mail to:

Tomcat Bridgebuilders ~ P.O. Box 164 ~ Trimble, Ohio 45782

Grant funding provided through Tomcat Bridgebuilders in collaboration with the Athens-Hocking-Vinton 317 Board and other community partners.

Project Explanation

Project Name _____

Project Summary

Please write a short project summary. The summary should clearly demonstrate the link between your project, local youth and a non-use of ATOD message.

Community Need

What community issue or problem will your project address? Why is this issue or problem important? What results or changes do you anticipate (include the number of people in the community who will be served by this project)?

Services

What service is being provided? What is your projected timeline for the project? Who will be involved in the project and what are their responsibilities?

Skills & Knowledge

What skills and knowledge will youth gain through this project and how will you know that they have gained the knowledge and skills?

Evaluation

How will you evaluate your project's effect on the community? What lasting effects do you anticipate and how can your project become self-sustaining?
